Deputy General Manager-2, BSWML welcomed all the officials and the representatives of the agencies/ firms for which Pre-Bid meeting.

BSWML vide Notification No:DGM-2/BSWML/Tend/16/2025-26 dated: 22.07.2025 invited bidders to submit bids for the work "Providing and construction of SSM with chain link fencing compound for Gollahalli Sy. No. 39 in Bangalore South Constituency" & "Providing and construction of SSM with chain link fencing compound for Gollahalli Sy. No. 58 in Bangalore South Constituency". In the said tender the bidders participated did not full fill the criteria's set in the tender. Hence, the tender was cancelled and second call was invited vide Notification No: DGM-2/BSWML/Tend/19/2025-26 dated: 22.08.2025.

The perspective bidders participated in the above said tender pre bid meeting raised concern that the work involves construction of compound wall from Size Stone Masonry (SSM), Chain link fencing linked through MS Angles and tubular steel structures. The area to be fenced in Gollahalli Sy. No. 39 & 58 are vast and hence huge quantity is required. But in the present days, the opportunity to execute such work is limited. Hence, the perspective bidders requested CGM, BSWML to reduce the Criteria of experience of quantities to 50%. Bidders further, requested to consider cement plastering for the cement mortar quantity, structural steel / truss steel for MS angle quantities and GI sheets for GI Chain link quantities to enable maximum participation.

CHIEF GENERAL MANAGER
(TECHNICAL), BSWML

The establishment of Integrated Solid Waste Management facilities are highly essential to BSWML. Hence, tender is invited for the establishment of ISWM in North and South portion of Bengaluru City. For South portion the said tendered areas are ear marked. So fencing of the land allotted for ISWM is important to protect from encroachment.

Keeping in the view, the necessity and essentiality of the work, in the public interest and to save time and money of the institution it was opined that the request made by the perspective bidders could be considered. Hence, it was decided to consider the executed quantity of Size Stone Masonry (SSM) quantity as 4075 Cum in the work "Providing and construction of SSM with chain link fencing compound for Gollahalli Sy. No. 39 in Bangalore South Constituency". Further, executed quantity of Size Stone Masonry (SSM) quantity as 2576 Cum in the work "Providing and construction of SSM with chain link fencing compound for Gollahalli Sy. No. 58 in Bangalore South Constituency"

The last date of submission for the tender may be extended up to **19-09-2025** at **16:00 hours.**
